#### Just a Lad From Home.

By Mabel Kessler, Collyer, Kan.

When I started from this bome of mine. The porch and steps were covered with vine. I would give my life and live without sin. For my childish plays back again. The joys of those days were the brightest of my life. But soon I'll be free from the world's pain and strife.

My striving days are almost through.
And one of these days you'll bid me adieu;
For that home above is waiting for me,
The angels are calling tenderly.
Just over the river is a home so grand,
Just over the river is a far, fair land;
Just over the river you'll see me there.
Singing with the angel's on the golden s

I am ready to go and waiting for the day To go and hear my dear comrades say. "You're as welcome as the flowers in May. And we love you in the same old way. Even if you are old and gray. Come along and we'll show you the way."

#### OGALLAR.

Miss Nellie Humphries closed her school in the Schumann district with a nice program and basket dinner Thursday, April 9. After dinner a good ball game entertained the visitors.

Ogallah Blues defeated the Rinker nine at the Schumann school house Thursday, April 9, by a score of 7 to 3. The diamond was very grassy which made fast playing impossible. Both teams had very fast first basemen. Will Harvey did some good base running. Time, 1:45.

The Trego County High school defeated the Ogallah Blues on the Ogallah grounds Saturday, April 4th, by a score of 3 to 0. A high wind was blowing from the south which made hard batting and close base throwing an impossibility. Mapes, the star twirler for the Blues was just recovering from a severe shaking up received in a runaway. and was in poor form. Smee for the high school also complained of a lame wrist, but it did not show up in his work. The playing of High school was clean and fast, showing the effect of constant practice. The attendance was about 100. The score by innings:

Batteries: Blues — Mapes and Anderson. T. C. H. S. — Smee and Keraus. Time of game, 1:05. Umpire, Yetter.
